### Appetizers & Antipasti

Mediterranean Cuisine is very rich in starters and appetizers.

Appetizers, hot or cold, are small dishes served in the Mediterranean region with an aperitif, enhancing the taste of the drink or as a light meal.

These dishes, are not contemporary inventions, but have been set out on Mediterranean tables for generations.

Fresh salads, stuffed grape leaves, fire roasted sweet peppers, sun dried tomatoes, luscious dips, spinach pies, and pickled vegetables all in the same table.
